

## **PREMIER FORMULA ANTI-AGING- INGREDIENTS AND FUNCTIONS**

### **AC-11**

- C 1-8 alkyl tetrahydroxycyclohexanote
- Repairs Damaged DNA
- Powerful anti-oxidant
- Anti-inflammatory
- Carboxyl Alkyl Ester (CAE)

### **Retinyl Palmitate-S**

- See Retin A (Retinoic Acid) Rx Only
- See Renova Rx Only
- Most Effective anti-wrinkle, anti-crows feet, anti-aging cream
- After application body converts Retinoic Acid into Retinyl

### **Argireline** (Acetyl-hexapeptide)

- Decreases skin wrinkles
- Decreases facial tension
- Alternative to Botox
- 17% decrease in fine lines in 15 days
- 27% decrease in fine lines in 30 days
- 6- amino acids in formula

### **Matrixyl-3000**

- PAL GHK, PAL GQPR, Anti Wrinkle
- Palmitoyl Oligopeptide
- Palmitoyl Poly Peptide
- Decrease Volume wrinkle 18%
- Decrease Depth 15%
- Decrease Roughness 14%
- Increase Tone 15%
- Decrease Wrinkles Number/ Amplitude 44%

### **APT** (Centenchem)

- Increase Firmness
- Increase Elasticity
- Increase Moisturization
- Increase cell Turnover
- Increase Smoothness
- Increase Skin Feel

### **Hyasol**

- Hyaluronic Acid-soluble

- Fills in spaces between collagen/ elastic fibers
- Increases elasticity
- Increases smoothness
- Increases tone
- Humectant

### **Copper PCA**

- Increases Skin Firmness
- Improves Texture

### **Brooksome Ace**

- Stable ACE- Stable Liposome Formulation of Vitamins A-C-E
- Retinyl Palmitate - A
- Ascorbyl Palmitate - C
- Tocphenyl Acetate - E
- Antioxidants

### **Dipalmitoyl Hydroxyproline - S**

- Increases Collagen Synthesis
- Increases Skin Elasticity
- Increases Smoothness

### **Dipalmitoyl Hydroxyproline-** (Limoamino Acid) Natural S

- Anti-Wrinkle
- Stimulates Collagen → Firmer Younger

### **Copper**

- Increases Strength
- Increases Flexibility
- Stimulates Collagen Synthesis
- Increases Tissue Repair
- Best Firming Agent

### **Tetra Hexyldecyl Acsorbate- S**

- Vitamin C Ester-lipid soluble form
- Anti-oxidant

### **Willowbark**

- Natural Salicylic Acid 10%
- Beta Hydroxy Acid
- Skin Softening

- Ant:- Microbial

### **Lignoceryl**

- Fatty Acid
- Natural Moisturizer

### **Panthenol**

- Vitamin B-5
- Anti-Inflammatory
- Humectant
- Increases thickness/ Density Skin

### **Bisabolo**

- From Birch Bark
- Chamomile- candeia oil
- Anti-inflammatory

### **Green Tea**

- Antioxidant

### **White Tea**

- Antioxidant

### **Liposomes**

- Outstanding Delivery System
- Increases penetration of active ingredients

### **PEG 8**

- Increases Penetration of Actives

### **Antioxidants-** Vitamin C, Vitamin E, Pomegranate

- Green Tea
- Co-enzyme Q-10
- Alpha Lipoic Acid
